

Welcome to the CS TimeClock Documentation site.

You can view and print some of the CS Timeclock documentation and also do a search on a subject. If you have any documentation requests, please [send us a message](#) or post it on the [forum](#).

You can also [download documents](#) from our [product website](#).

Did you know?

The CS TimeClock has pages optimized for use on mobile devices.

Your employees can clock using their mobile phones or ipads as well as view their clockings for the last 7 days.

[Find out more...](#)

Just received your new clock?

Go through our [Quick Start Guide](#) on how to get your clock up and running.

Before enrolling your employees, make sure you read through our [Fingerprint Enrollment Guidelines](#).
